3. [   ] Returned to Mr. George Murphy,
Professional Staff Member, Joint Committee on Atomic Energy, the
corrected transcript of the Committee briefing on 17 June 1963 and
discussed briefly with Mr. Murphy the fact this transcript contains
specially sensitive material and that no release is authorized for
review of this material by other agencies. Mr. Murphy indicated the
transcript would be available only to Committee members and that
after reflecting the corrections in the original transcript, the copy
would be destroyed, leaving just one copy with the Committee and one
with the Agency.

5. ([   ] Received a call from Mr. John
Newhouse, Consultant, Senate Committee on Foreign Relations, wanting
to know if it would be possible to provide the Committee with a listing
of those newspapers in England, France, Germany, and Italy, that had given
coverage on 18 June relating to the Committee study "Problems and
Trends in the Atlantic Pact." I told him I would check the matter and be
back in touch with him. Mr. Newhouse also raised the question concerning
the classification of the material previously furnished on this same
subject.
